black

rounded edges

surface below a surface

thick, spaced
at stuff

A/5
~~note~~

old quarry
or small
body of water

steep cliff face
or cut in ground

stuff, from side
hangs, from side
(very wet here; almost like
water dripping; or sand falling)

dark blue/black liquid

location of
wooden frame
object

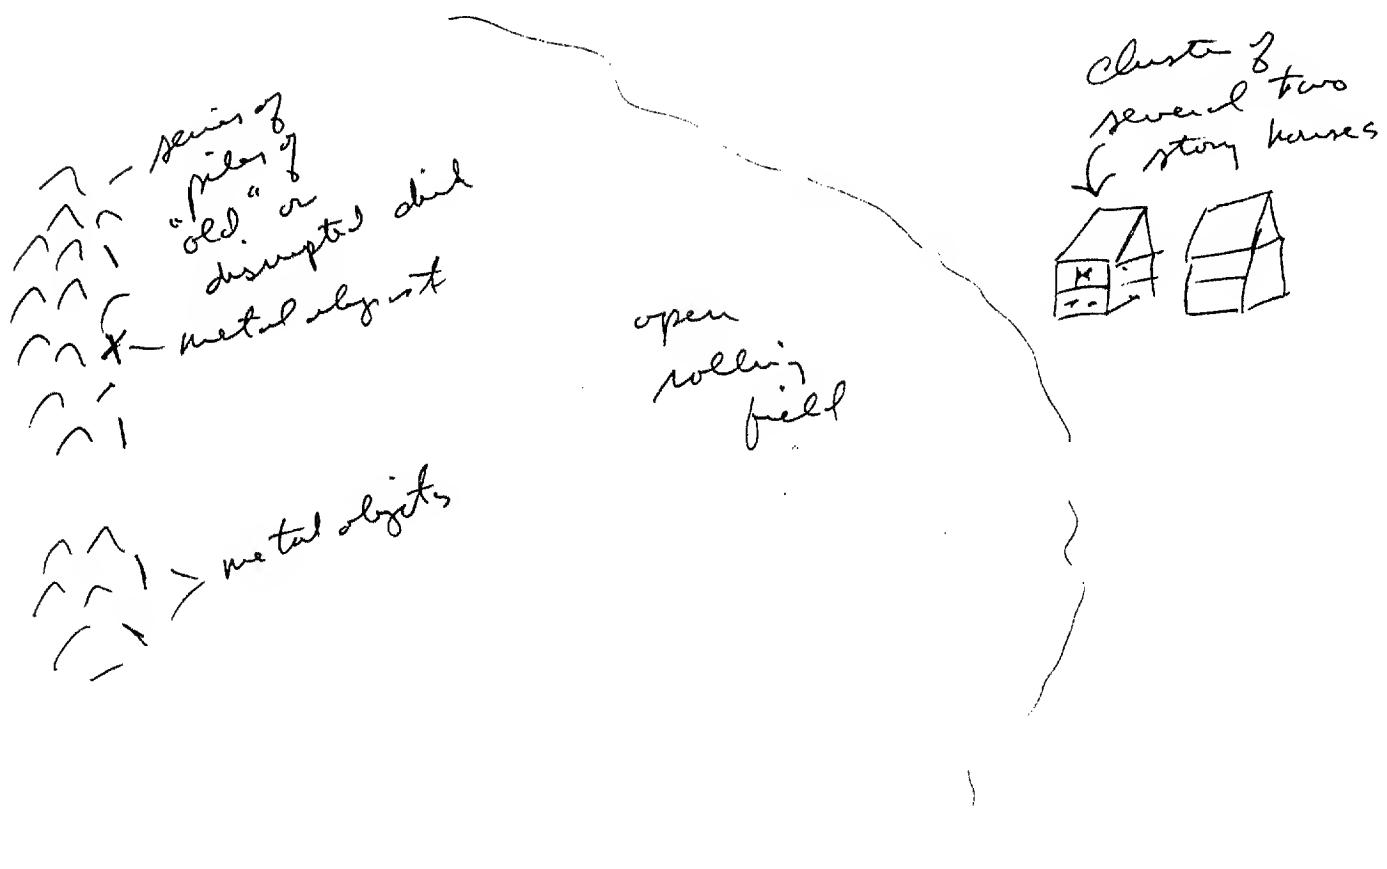

dark grey
metal object
sticks out from
ground or earth

*⁽²⁾

*⁽¹⁾

- (1) - 1st location of tail section
- (2) - 2d location after
movement (angled down)

New houses nearby - a series of two story,
mostly light brown or yellow; open field
rolling field; piles of dirt; old metal
objects, most; scattered around piles

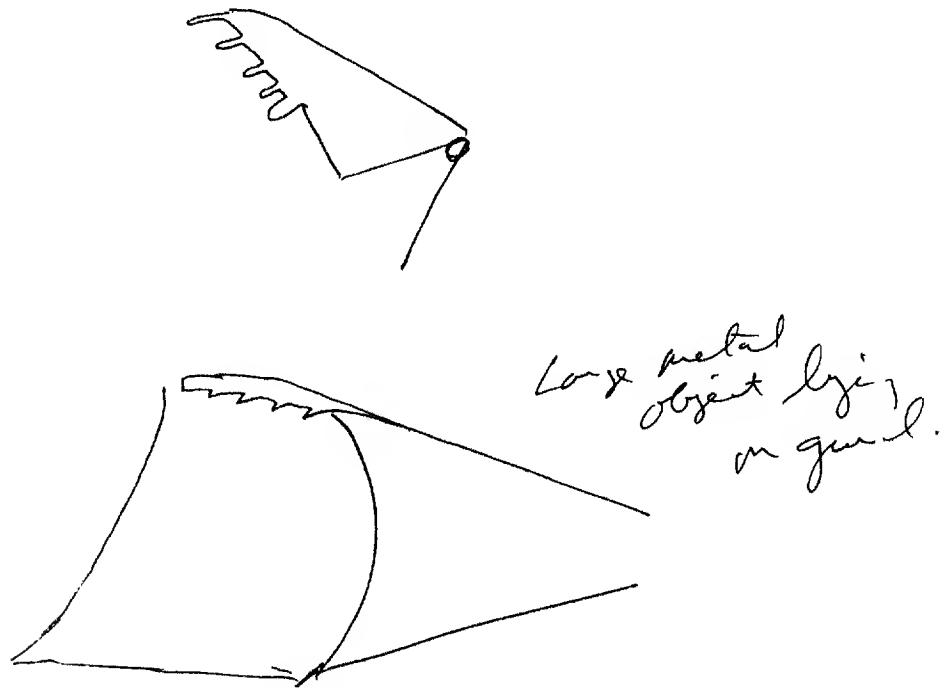

A hand-drawn map of a coastal or riverine area. The main body of water is labeled "Top area". To the right, a narrow inlet or channel is labeled "dark blue water". A small circular feature is labeled "blue sky". An arrow points to a dashed line labeled "location of tidal restrict". Another arrow points to a dark, irregular shape labeled "dark green pine trees". A curved line on the left is labeled "green now here".
